**How grant money is being used to address academic, social/emotional concerns.**

# The AMSA Way

---

- The AMSA Way defines what our teaching and learning philosophy is - using our core values as its foundation
- It was put together by an outstanding group of teachers and administrators (**Blue Ribbon Panel**) who met monthly during the 2021-2022 school year (thank you all!)
- The AMSA Way went through a series of drafts and edits - at the end of the year it was reviewed twice by the entire staff
- It will be posted on our website and announced to the broader AMSA community

# The AMSA Way:

---

- Is an essential document to guide our school
- Further solidifies our core values (defines them more deeply than ever)
- Will be used to orient our new teachers, staff, and families
- Will guide our Professional Development
  - This year's PD program will revolve around our core values
- Will guide our policy decisions
- Will inform our observation/evaluation process
- Most importantly, it will remind us all of who we are at our best

# The AMSA Way

---

“The AMSA Way will also always remind us, no matter what changes our school experiences, of what we are truly committed to. Most importantly, the AMSA Way will be inscribed in our hearts and minds. The AMSA Way is our telos. It is what we live, breathe, and do each and every day to make AMSA the best possible school.”

AMSA Way Preamble
