

NAMING OPPORTUNITIES

A gift to the **Imagine** Campaign will help shape and elevate the learning environment for our students. Your gift also presents a unique opportunity to be permanently recognized on our campus.

We encourage our donors to take advantage of these naming rights, either through an outright gift or through one that is pledged over three years. You may also choose to pay tribute to a family member or friend through a naming opportunity.

The Imagine Campaign will result in an array of new spaces that can be named, and we'd love to work with you to find the right fit.

For more information, please contact the Development Office (meckel@amsacs.org).
