WELCOME TO 6th GRADE AT AMSA!

● Each class requires a dedicated and separate binder to store notes and handouts.

● Try to buy the sturdiest/highest quality supplies possible so that they survive your classes for the entire school year.

● Some teachers may request a few additional supplies after the start of the school year.

● Purchase a few extra supplies during summer sales, especially pencils and lined notebook paper.

● Teachers will show students how to set up binders and materials during the first few days of school.

● Write your name on your belongings in permanent marker or use labels.

● Please do not purchase zippered binders with straps or one gigantic binder that holds notes and handouts for every class. These tend to fall apart more quickly and become very unmanageable.

Required Supplies
● zippered pencil case
● 1 accordion folder (13+ sections) to be kept at home or in locker for older and returned handouts
● notebook paper (to be replenished throughout the year on an as-needed basis)

Optional
● locker shelves
● 1 package of notebook paper for student’s Directed Study teacher
● 1 box of tissues for student’s Directed Study teacher
● 1 container of antibacterial wipes for student’s Directed Study teacher

Required Texts for English Classes:
Students are asked to purchase their own copies of the following books:
