Welcome to 7th Grade!

- Each class requires a dedicated and separate place to store notes and handouts.
- Try to buy the sturdiest/highest quality supplies possible to survive switching classes throughout the school year.
- Teachers will explain their exact expectations during the first week of school.
- Purchase extra supplies during summer sales – especially pencils and lead refills.
- Label ALL materials clearly with the student’s first and last name.

Required Supplies:
- Homework planner/agenda
- Zippered pencil case
- Folders and/or binders (see next page)
- Filler paper and/or notebooks (see next page)

7th Grade Supply List
2019-2020

Individual Class Organization:
● Teachers will provide their expectations for organization during the first days of school and on their course info sheet that goes home with students.
● Most classes will require some combination of a two pocket folder and notebook or a binder with loose paper and dividers.
● Some teachers may require a dedicated binder. It may also be possible to use a bigger binder with dividers for several classes (even day/odd day/every day). If teachers are flexible with options, students should pick an organizational system that work for his/her style--some people do better with folders versus binders or vice versa. Think about what will keep you the most organized.

For the First Day of School:
● Bring a folder, notebook, and your stocked pencil case

School Bags:
● Large backpacks may be brought to school and stored in lockers during the school day.
● Around the building, students may carry a drawstring strap bag (see below). Tote bags and messenger bags are not allowed. Students should visit lockers throughout the school day to switch out supplies.
